2 x regular fluorescent lamp T16 39W/840 G5
Energy efficiency category A
adjustable electronic ballast; digital DALI
Energy efficiency index (EEI): A1 BAT
220-240V; 50/60Hz
approx. 82 W
approx. 5642 lm
approx. 91 %
approx. 69 lm/W
direct/indirect
approx. 39 %
neutral white, approx. 4000 K
> 80
structured screen
< 2100 cd/m²
< 16
DALI, continuously dimmable
external
aluminium, anodised, aluminium coloured anodised
acrylic clear
approx. 5.5 kg
built-in plug
US-ConnectionStandard
mounted version
wall bracket
DALI - dimming via digital rotary dimmer, integration into
DALI light management systems, TouchDIM - dimming via
standard switch

WISTA® MINI 5-polig
